

Bank Can Wrapper Directions:

1. Have students set a goal and fill in how much money they want to save and by what date.
2. Have students draw pictures of items to save for and something to spend on.
4. Have students put a star in the circle of the item they would rather have (opportunity cost and choices)
5. Cut out the wrapper. Tape wrapper around a washed vegetable can.
6. Encourage students to save. Celebrate together when goals are met.
